USER'S DOCUMENTATION: Expense Tracker

1. A welcome message is shown and user is prompted to input their username

```
IP C:\Program Files\Python38\python.exe

Welcome to your Expense Tracker!

Input your username:
```

2. After inputting the username, the user is prompted to choose between inputting a new expense, look up the monthly report, edit recurring charge, or change user.

```
Welcome to your Expense Tracker!
Input your username: Wife
Welcome WIFE to your Expense Tracker!
Would you like to input new expense (type: NE), look up monthly spending (type: M), edit recurring charge (type: E), or change user (type: C) ?

✓
```

CHOICE 1: Input new expense

3. User is prompted to input information regarding the expense to be inputted

```
C:\Program Files\Python38\python.exe
Welcome to your Expense Tracker!
Input your username: Wife
Welcome WIFE to your Expense Tracker!
Would you like to input new expense (type: NE), look up monthly spending (type: M), edit recurring charge (type: E), or
change user (type: C) ? NE
Please input the following information to log your new expense:
Store: Canadian Tire
Expense category: groceries
Amount spent: 41.98
Year of the expense (YYYY): 2020
Month of the expense (M): 8
Day of the expense (D): 4
Is this a recurring charge? (Y or N): n
was this a shared expense? (Y or N): y
How many people was this expense shared with, including yourself? 2
Name of the person: Husband
```

- a. Input the store's name > press enter
- b. Input the expense category > press enter (Expense category could be anything from groceries to supplies.)
- c. Input the amount > press enter
- d. Input the year of the expense > press enter
- e. Input the month of the expense > press enter
- f. Input the day of the expense > press enter
- g. Answer yes (y) or no (n) if the charge is a recurring charge, meaning if the user wants the app to create the same charges for future dates > press enter

```
Is this a recurring charge? (Y or N): N
Was this a shared expense? (Y or N): N
Data Stored
Would you like to do additional transaction? Type Y or N:
```

If the user answer YES to the recurring charge, the user will have to answer how long the recurring charge will occur > press enter.

```
Is this a recurring charge? (Y or N): y
How many months (> 0) for recurring charge? 12
Was this a shared expense? (Y or N):
```

- h. Answer if the expense is shared with other people, yes (y) or no (n) > press enter. If the answer is no, the program would end, printing out "Data Stored!" If answer yes, the user will be prompted to answer how many people the charge and the name(s) of the person or people the charge is shared with.
- 4. After all the information is inputted, the program will print "Data Stored," indicating that the program is done. It will also ask if the user would like to do additional transaction. Enter yes or no and press enter.

```
Data Stored
Would you like to do additional transaction? Type Y or N:
```

If you answer NO, the program will print "Thank you! Press any key to continue..."

```
Would you like to do additional transaction? Type Y or N: n
Thank you!
Press any key to continue . . .
```

CHOICE 2: Monthly report

5. User can input M after prompted to choose.

```
Welcome to your Expense Tracker!
Input your username: Wife
Welcome WIFE to your Expense Tracker!
Would you like to input new expense (type: NE), look up monthly spending (type: M), edit recurring charge (type: E), or change user (type: C) ? M
```

- 6. The user will then be asked to indicate a range (start and end) of date the user wants to see in the report.
 - a. Input year of the expense date > press enter.
 - b. Input month for start of the range > press enter.
 - c. Input day for start of the range > press enter.
 - d. Input month for end of the range > press enter.
 - e. Input day for end of the range > press enter.

```
Which expense year would you like to see (YYYY)? 2020
Which expense month for start of range (M)? 6
Which expense day for the start of range (D)? 7
Which expense month for end of range (M)? 7
Which expense day for the end of range (D)? 8
```

7. Monthly report shows as follows:
